April 2024

## Year 11 Revision Sessions and Quiet Study Space

Dear Parents and Carers

When examinations begin on Thursday 9<sup>th</sup> May, students will only attend school for examinations and scheduled revision sessions.

Revision sessions take the form of taught sessions or drop-in sessions. Where departments have planned a taught session students who intend to attend must arrive for the start of the session; for drop-in sessions teaching colleagues will be available for the duration of the session to provide support. The revision session timetable is attached to this letter.

We recognise that there may be students who are **unable** to go home in between morning and afternoon exams. For those students we will provide a silent study space; this will be signposted in the school foyer. We have looked at the timetable and identified the dates listed on the attached pages as potential times when students in this position may need to use the study space before an afternoon examination. This study space will only be available from the end of a morning examination until 12.40 and will be supervised by a member of staff. Students who are using this space will be expected to stay on the school site for lunchtime before their afternoon examination. We expect students to bring revision materials with them in order to revise quietly.

For safeguarding reasons students must commit to using the study space for the duration of the session and cannot opt in and out; we will be creating a register from the reply slip returns and deploying staff to supervise; please note we will contact families where students do not attend. In addition, please be aware that we are financially committing to staffing the room so do please ensure your child is equally committed to using it.

If your child is **unable** to go home in between morning and afternoon exams and requires this space, please complete the reply slip indicating which sessions will be required.

Please do let me know if there is anything else we can support you with.

Yours sincerely

Ms Harkiran Grewal  
Deputy Headteacher  
[hgrewal@taptonschool.co.uk](mailto:hgrewal@taptonschool.co.uk)

Valuing everyone, Caring for each other, Achieving excellence

Exam Date	Session	Exam Board	Title	Subject Revision Session	Time	Teacher and Room
