Dear Brandan

Thank you so much for the donation of £278.00. My name is Mandy, and I'm a Support Worker in Bluebell Wood's Community Team. Our work doesn't just take place at the hospice; the Community Team give care and support to families in their own homes too. Basically, wherever we're needed, we'll go.

From baking delicious treats at home, to taking a trip to the cinema for an afternoon of movie magic, we're here to help children make treasured memories, while parents get a much-needed break.

That's why I want to thank you for your donation. Your generosity means I get to help families have a short break, knowing their child is well looked after and having fun. These moments are so precious for families, and I feel privileged to be able to share them. Without you, we wouldn't be able to do this.

Thank you so much,

Mandy

They use your data to contact you about appeals, events and ways to support them and for anonymised statistical analysis. They never pass your details to any other charity. They never append or buy data to add to what they have collected from you. You can find more details on how they protect your personal data at www.bluebellwood.org/dataprotection. Thank you
