Dear Parent / Carer

Year 9 Assessment Week – June 2022

The Year 9 Assessment Week will take place from Wednesday 8th to Wednesday 15th June. During this assessment period your child will complete an assessment in English, maths, and science. The results of these assessments will be documented in their summer term tracking.

Over the final half term of Year 9 other subjects may wish to set various other types of assessment in lessons, these will not form part of your child's formal summer tracking. Students will be informed of the date and content of their assessment by their subject teacher before each assessment, as well as how to revise and where revision materials are located.

The aim of assessment week is twofold. Firstly, it continues our stepped approach in preparing students for the full exam linear experience of their GCSEs. It is important that students become accustomed to working under timed conditions as this is how they will be assessed in their GCSE subjects. Secondly, the assessments will provide an insight into your child's progress and allow us to put in place any interventions should they be necessary.

If your child is absent during the assessment week, they will complete their assessments on their return to school. If you have any questions, please do not hesitate to email me on kpilarek@taptonschool.co.uk.

Kind regards

Mrs K Pilarek
Assistant Headteacher
