This contains RAG rate pages for each topic, core knowledge organisers as well as the key sources of wisdom and authority for each topic. It also contains useful reminders about effective revision strategies such as brain dumping/blurting and the look, cover, write check method. Your exercise book and work booklets for each topic, as well as the GCSE revision guide (available on parent pay if you do not already have one) are also invaluable revision resources.</p> <p>You will be set weekly revision homework in the run up to the exam which will include comprehension questions. These are an excellent start to your revision as they help you to secure key knowledge so, please complete each one.</p> <p>Use the revision strategies that work best for you. Each topic can be broken down into the 8 sections that are outlined on the RAG sheet in your revision booklet. Be methodical and revise two or three at a time rather than all eight sections in one go. Check that your knowledge is secure by practising exam questions either from your revision guide or from the Learning Platform where you will find past papers and mark schemes as well as other useful revision resources such as BBC Bitesize links.</p>
