March 2022

Dear Parents / Carers,

Year 10 Exam Week - 28th March 2022

As planned, Year 10 students will have an Exam week beginning on Monday 28th March which will last until Friday 1st April. The subject specific guidance has already been shared and students should be preparing for exams as per the guidance for their chosen GCSE subjects.

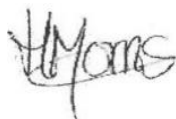

Please find attached a copy of the timetable for these exams. Please note that all morning exams will start at 9.00am and your child will not need to attend registration if they have a morning exam. Where students do not have an exam in the morning they should attend registration as normal. All afternoon exams will start at 1.30pm and mid-morning sessions start at 11:40am as shown on the timetable.

During this period there will be no study leave therefore, in order to allow students the opportunity to manage their exams, revision and well-being, students will be able to revise during lessons when not in an assessment and we advise that as well as their exam equipment they also bring in revision materials each day. Furthermore, students will be dismissed home from afternoon exams and will not return to lessons.

Students with access arrangements such as extra time will be awarded this as a proportion of the assessment duration. In addition, students with additional access arrangements will be invited to meet with the SEND team to talk through the relevant supportive measures in place and their timetable.

If you have any questions or queries please do not hesitate to contact me directly at school on hmorris@taptonschool.co.uk.

Yours sincerely,

Mrs H Morris

Assistant Headteacher – KS4
