5 January 2022

Dear Parent / Carer

Sixth Form Support and Guidance morning – Year 12

At Tapton Sixth Form we promote personal wellbeing and development through a comprehensive support and guidance programme to help students develop the skills, qualities and attributes needed to be healthy, independent and active participants in society. Support and guidance is taught in Sixth Form through drop-down mornings every half term to ensure all students have accurate information to be able to keep themselves safe as they progress through life. The next Sixth Form drop down morning will take place on **Thursday 13th January** periods 1 and 2. Please note that these sessions are compulsory and for all students – students who do not have timetabled lessons at this time still do need to attend. The topics that will be explored during these sessions are:

Addiction

This session will include understanding how alcohol, drug use and gambling can affect decision making and personal safety, including looking out for friends, safe travel and drink-spiking. We will also look at how to manage alcohol, drug use, and gambling in relation to immediate and long-term health.

If any students have any concerns regarding this session can they please let their Year Leader Ms V Waddoups vwaddoups@taptonschool.co.uk and/or KS5 Coordinator ks5coordinators@taptonschool.co.uk know in the first instance.

HSBC Level up

This session looks at how to manage spending and make sure students don't get caught out by unexpected bills, as well as making sure that students are getting value for money when they do spend. Additionally, this will support an understanding of interest, building skills to help evaluate borrowing, saving and credit card options in everyday life.

If you would like any more information on any of the sessions or would like to discuss anything further please feel free to contact me.

Yours Sincerely

David Sabbagh
