July 2022

Yorkshire Wildlife Park

Dear Parents and Carers

You will be aware that the Met Office have signalled high temperatures for Monday 18th and Tuesday 19th July. After speaking with the Yorkshire Wildlife Park, we have decided to postpone the planned Year 9 trip scheduled to take place on Monday, Tuesday, and Wednesday of next week. The Wildlife Park have alerted us to the lack of shade and availability of water at the park. The learning experience may also be limited as the hot weather may impact on animal behaviour which is a key focus of the trip.

We understand that students will be disappointed that the trip has been postponed however, the particular risks to health and safety on this trip have to be considered.

We will contact you in the Autumn term with the rescheduled dates. Thank you for your understanding and support in this matter.

Yours sincerely

Mrs V Bates
Director of Science

Valuing everyone, Caring for each other, Achieving excellence
