Year 9 Assessment Week - Monday 17th November 2025

Dear Students, Parents and Carers,

The week beginning Monday 17th November will be Assessment Week for Year 9. During this week students will complete assessments in most of their subjects. Details of the assessments and guidance around revision is attached to this letter. Assessments will take place in lessons and will have a specific focus; teachers will direct students to revision tasks and support. Additionally, teachers will inform students which specific lesson will be used for the assessment.

The results will be reported to students, parents and carers in the tracking to be released in January.

Attendance to school is of paramount importance; please note that if your child misses an assessment it may not be possible to reschedule it.

As always, if you have any queries please do not hesitate to contact me directly at school or via email hgrewal@taptonschool.co.uk. We fully appreciate your support at home in ensuring your child reaches their full potential.

Yours sincerely
