14 July 2022

Dear Parent / Carer,

HUMAN PAPILLOMAVIRUS (HPV) VACCINE

The immunisation session for the 1st dose of the HPV vaccine will be held at your child's school as in the schedule below –

School – **Tapton**

Date of immunisation – **Thursday 15th September 2022**

To consent or decline consent for your child's HPV vaccination please click on the following link:

[Vaccination Consent \(sheffieldchildrensvaccinations.co.uk\)](http://sheffieldchildrensvaccinations.co.uk)

To complete the online form, you will need your **school URN number – SF138069**

Deadline for sending your consent/refusal – **Tuesday 13th September 2022, 12 am (midnight)**

If you would like more details about the vaccinations then please visit <http://www.nhs.uk/vaccinations>

Alternatively, you may wish to speak to the Immunisation team on the numbers given above or to your GP or practice nurse. If your child has already received this vaccination elsewhere then please contact us on the above number so we can amend our records.

We wish to ensure that every child has the chance to be fully protected against these dangerous diseases before leaving school.

To ensure the sessions are safe staff will be following strict infection control procedures line with current Covid guidelines. Therefore there may be a restriction on how many children can be vaccinated per session. We may offer more than one session per school throughout the academic year to ensure that all children in the year group get the opportunity to receive their vaccine.

Yours sincerely,

Immunisation Team

Sheffield Children's NHS Foundation Trust
