## Examination Results Days 2020

Dear students, parents and carers,

Further to our letters detailing arrangements for the results days on the 13<sup>th</sup> and 20<sup>th</sup> of August we would like to remind you of the arrangements and update you on the key public health messages and procedures:

- Those who have coronavirus (COVID-19) symptoms, or who have someone in their household who does, **must not** attend school to collect examination results.
- Please ensure anyone arriving to school to collect results uses the available hand sanitiser before entering the building.
- Year 11 and Year 13 students have been allocated specific time slots to collect results in person; these must be strictly adhered to in order to safeguard the health and safety of students, families and school staff.
- Students, parents and carers should follow coronavirus (COVID-19): safer travel guidance for passengers when planning their travel to school, and we encourage everyone to walk or cycle where possible.
- If you are accompanying your child please remember that only one family member will be allowed to attend results day with their child. Accompanying family members must not gather at the school entrance gates or doors. Once results have been collected families and students need to leave the site in preparation for the next group to arrive.
- The National Careers Service will again be delivering the Exam Results Helpline during August this year. Young people or their parents and carers can contact the helpline on 0800 100 900 to speak to a professionally qualified careers adviser if they need advice on their next steps. The helpline will be open from 8 am to 10 pm from Thursday 13 August until Friday 28 August. After these dates, young people will be able to access ongoing support from the National Careers Service at any time by calling 0800 100 900, visiting the National Careers Service website or searching for the National Careers Service on Facebook and Twitter. Tapton's leadership team will of course be in school on both days to support and guide students as appropriate.
- Please be aware school will not be able to share details of the calculated grades or rank order on results day.
- With regards to appeals there are only two scenarios where an appeal may take place and both of these concern administrative errors made on behalf of the school or on the part of the awarding body. We will have further details about appeals and the autumn series of exams in the final week of the school holiday.

### AS and A Level Results Day – Thursday 13<sup>th</sup> August 2020

Please note the following change from our July letter. AS and A Level results will now be available on the student portal on Bromcom from 8am on Thursday 13<sup>th</sup> August to 12am on Monday 17<sup>th</sup> August.
