August 2020

Dear parents, carers and students

By now you will have received your final GCSE, AS and A Level grades and we hope you are looking forward to the next stage of your life. We would like to make you aware of the following important information should it be relevant:

The examination grades cannot be appealed. The only ground for appeal is where there has been an administrative error and we have checked through the results for these already.

The process conducted at school was rigorous starting with the teacher suggested grade, going through departmental moderation and then whole school moderation by the senior leadership team.

The grades awarded are the final grades.

Any student wishing to improve on these grades are able to enter the Autumn series of examinations. The deadline for these is September 1st for AS and A Level and September 11th for GCSE. The entry form for the autumn series is on the school website.

If you have any questions about the autumn series please use the exams@taptonschool.co.uk email address.

Yours sincerely,

Kat Rhodes
